## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.
2. Applicant's Information Disclosure Statement (Form PTO-1449) filed January 7, 2005 has been considered by the examiner.

### ***Allowable Subject Matter***

3. **Claims 54-56, 59, 63, 68-70, 72-95, 98-121 allowed.** (Re-numbered as 1-56)

4. The following is an examiner's statement of reasons for allowance

The references listed in the IDS filed January 7, 2005, US 5,581,758 A, US 5,459,860, and EP 0592045, have been carefully considered by the examiner. These references do not teach the combination of claimed elements including: "obtaining a name for a data file, the name being based at least in part on a given function of the data" nor "wherein a copy of the requested file is only provided to licensed parties" as recited in independent claim 54. Thus, prior art of record neither renders obvious nor anticipates the combination of claimed elements in light of the specification.

Independent claims 55, 56, 59, 63, 70, 74, 75, 83, 84, 92, 95, 98, 102-105, 107, 110-

Art Unit: 2167

112, 118-120 recite similar limitations cited above, or "determining unauthorized copy or unlicensed copy of the data file" and therefore also allowable. Dependent claims are allowed at least by virtue of their dependencies from pertinent independent claims.

After a further search and a thorough examination of the present application and in light of the prior art made of record, claims 54-56, 59, 63, 68-70, 72-95, 98-121 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
